

MICROSOFT TEAMS CERTIFIED AND COMPATIBLE **PERSONAL COLLABORATION SOLUTION MATRIX**

Certified for Microsoft Teams® and Skype for Business, Logitech® webcams and headsets integrate seamlessly with what you already use and help you look and sound professional on video calls.

LOGITECH BUSINESS WEBCAMS AND HEADSETS FOR MICROSOFT TEAMS

Elevate video meetings with Logitech's webcams and headsets that are easy to use, look professional, and come in form factors to suit every user's style and need.

Logitech business webcams, Zone series and H-series headsets are designed for Microsoft® and tested end to end in Microsoft® environments to ensure great user experiences and easier deployments, allowing you to easily connect wherever you are so everyone can work together as if they're in the same room.

LOGITECH WEBCAM PORTFOLIO FOR MICROSOFT TEAMS

Logitech business webcams offer high-precision optics with autofocus for remarkable resolution and clarity to help you look your best. They are certified for Microsoft Teams^{®1} and Skype for Business, along with firmware update support for I.T. peace of mind.² Brio can even integrate with Microsoft[®] Windows Hello[™] to log onto computers using facial recognition—no passwords needed.
